

Dear Parents and Students,

Here is the final information and tickets for the Cougars baseball game on Thursday, May 13th. Please check the map on the back for the location of the Stadium.

Bring your tickets with you on the 13th!

- ◆ Families should arrive around 5:30 and enter the main gate. Students will meet in the aisle area around sections 111 and 112 which is to the left side of the stadium after you enter. The game starts at 6:00 and we will play at approximately 5:55. Parents can hold instrument cases while students play and then you may keep your instrument with you during the game or return it to your car. Band For Today teachers and parent volunteers will help organize and line up the students. Parents are not allowed on the field per Cougars rules. No playing is allowed as we are organizing in the stadium or lining up on the field. After performing, students should meet with their parents, go to their seats and enjoy the game.

MUSICAL INFORMATION

Your part should be memorized. If you cannot memorize the whole song, please play what you can. No music stands are allowed on the field. We want to sound great! Practicing your part until you know it well is very important. We will begin with a drum roll then a down beat to start the song. Drummers will roll throughout.

DRESS CODE

We will wear jean shorts or jean pants and white polo or nice white t-shirt. White socks and gym shoes. While we do not expect anyone to purchase anything new, please try to dress as close to this as possible.

IN CASE OF INCLEMENT WEATHER

There are no other available dates to play the Star Spangled Banner. If the game is cancelled, hold on to your ticket stubs. Rainout tickets may be exchanged for any remaining regular season game during the 2009 season based on availability (excludes playoff games). The Cougars will usually not call the game off until just before game time so unfortunately, you usually can't call or find out until then. Call the box office to arrange or for more information. 630-232-8811

We look forward to having a great time and enjoying the game. Hope for good weather!
